

CYBER

Essentials PLUS

<https://umbrella-cyber.co.uk>

WHAT IS CYBER ESSENTIALS PLUS?

- **Cyber Essentials Plus** follows on from the Cyber Essentials certification scheme that helps organisations protect themselves from common cyber threats.
- It is a more rigorous assessment than Cyber Essentials and includes an additional technical audit of your systems.
- **Cyber Essentials is mandatory for businesses looking for specific government contracts.**

ABOUT US

We are a team made up of specialist ex-military personnel with a common ground...we are all passionate about improving cyber security.

Our armed forces veterans have all served in highly technical and sophisticated roles ranging from ICS communications to cyber security for some of the UK's most high readiness military units and emergency response units and in most cases, long hour, hostile and high tempo environments.

Together as a team, our skillset, diverse experiences, and range of industry standard qualifications enable Umbrella Cyber to be your protective top cover in all aspects of cyber security.

Ethos: Honesty | Integrity | Discretion

WHY CHOOSE UMBRELLA?

- **Expertise:** Cyber Essentials is one of our core competencies and we have supported and awarded over 2000 CE basics and **300 Plus certifications** for various companies of all sizes and complexity since we became a registered certification body in 2021.
- **Competitive pricing:** We offer competitive pricing for its services, making it a cost-effective way to improve your cyber security posture – please see our [LONE WOLF CAMPAIGN](#).
- **Feedback:** So far, we have gained 5-star ratings for services which can be found at [here](#).

HOW TO BUY AND WHAT IS THE PROCESS?

1. Read the Official NCSC infrastructure [document](#).
2. Visit the website [here](#) and fill out the scoping questions and submit.
3. We will get back to you with a proposal based on your answers.
4. Once approved, one of our experts will carry out our onboarding process with you and provide a tracker document for you to complete.
5. The tracker provides us with all the information we require to carry out the plus assessment and also schedule meetings.
6. Comprehensive details of the assessment itself can be found [here](#).
7. Be aware that CE + needs to be completed within three months of achieving CE otherwise you will need to redo CE again.

OUR CE + MODEL

- The price proposed is the total price you pay - there are no hidden costs.
 - Pay on completion.
- Our price also incorporates the IASME certification fees.
 - 100% remote working
 - We make every effort to ensure disruption is kept to a minimum.
- **We work with you until you achieve certification.**
 - Pre audits
 - Unlimited vulnerability scans
 - Unlimited phone/email support
- Highly competent Cyber Essentials assessors with many years of experience behind them
- Vulnerability remediation consultancy
